***IQ / Intelli-Quote* ESTIMATE VIEW:**

Instructions: Below is the IQ login page showing a complete estimate list by the client on his exclusive page, and the estimates you created on your Master ***Estimator Cloud*** site

- You may select to open an existing estimate by clicking on the EDIT link shown below and change the specs including paper, size or if booklet all parameters.
- Or do a completely new Estimate by selecting one of the 3 options from the Tool-Bar on the left. **Offset/ Digital, Envelope/Screen, or Wide-Format**
- The Red-Tinted Estimates indicate that they have been received on the Printers Estimator Cloud program but not yet accepted.
- The Light Green-Tint Estimates have been accepted by the printer.

The screenshot shows the Estimator Cloud web application interface. On the left is a 'Main Menu' sidebar with options: 'New Offset/Digital', 'New Envelope/Screen', 'New Wide Format', 'View Estimates', 'Actions', 'Print Screen', and 'Log out'. The main area displays the 'Estimator Cloud' logo and 'Intelliquote' text. Below this are search fields for 'Lookup Estimate No.' and 'Locate Job No.'. A table of estimates is shown with columns: Date, Customer, Est. No., Job No., Job Name, Part 1 Job Description, Price, Dept., Due, and two columns for 'Edit' and 'Copy Add'. Annotations include red arrows pointing to the 'New Offset/Digital' menu item and the 'Edit' column header, and a red arrow pointing to the 'Edit' link in the first row of the table. The table rows are color-coded: red for unaccepted and green for accepted.
